# Jane McFall, CPhT

---

## What is your title?

Certified Pharmacy Technician

## What is your role at the pharmacy?

My focus is on customer service as well as prescription management and filling.

## How is Metcalf Compounding Pharmacy different?

Each prescription we fill is customized to the patient - or even their pets!

## What would some people be surprised to find out about you?

I served in the Navy and am a veteran of Desert Storm/Desert Shield
