## What is your title?

Customer Service

## What is your role at the pharmacy?

I am the Director of First Impressions. I greet customers, ring up medications and any pharmacy or OTC needs.

## How is Metcalf Compounding Pharmacy different?

We are a local team that cares about our customers as a whole, not just a prescription to sell.

## What would some people be surprised to find out about you?

I am a physical therapy assistant and love to help people with their overall health, not just physical.
